## HELP YOUR STUDENTS FIND THE RIGHT UNIVERSITY OR COLLEGE AT THE 2ND ANNUAL MACLEAN'S ONCAMPUS VIRTUAL FAIR NOVEMBER 12 FROM 10 AM – 9PM EST

Dear Teachers and Guidance Counsellors,

Maclean's OnCampus Virtual Fair makes picking a school easier than ever. Students can visit college and university campuses across the country, speak directly with school officials, and get scholarship and admissions information—virtually, from home or school. All they need is a computer. **And one of your students could win \$5,000 just for registering!**

How can you help your students make the right decision about their future?

1. **Announce the fair** to your students and encourage them to register at <http://www.macleans.ca/oncampusfair>
2. **Register your school** at <http://www.macleans.ca/oncampusfair>
3. **Reserve school computers** during lunch hour and speaker sessions
4. **Spread the word** by placing posters outside the guidance counsellor office and in high traffic hallways, and send a short email message to your student/parent email distribution list.  
**Find all the tools** you need to promote the fair at [http://www.macleans.ca/oncampusfair/teach\\_counsel.html](http://www.macleans.ca/oncampusfair/teach_counsel.html)

**Registration is free at [www.macleans.ca/oncampusfair](http://www.macleans.ca/oncampusfair). Sign up your students today!**

**Please note** that your school's IT department may need to unblock the urls listed below in order for students to access the virtual fair from your school's computers.
